WORK & LEADERSHIP EXPERIENCE

Special Olympics Florida

Photographer and Media Designer

Miami, Florida

September 2016 – May 2018

- Captured the smiles and hard work of athletes, volunteers, and sponsors at sporting events, fundraising dinners, and spring break camps.
- My photos displayed the amazing actions of Special Olympics and they are found on the Facebook page, emails, photo books, and brochures.
- These photos helped increase awareness for the Special Olympics cause and provided wonderful memories for families of athletes.

Autonomous Net-Zero Water Project

Lab Assistant

Coral Gables, Florida

August 2015 – May 2016, August 2017 – December 2017

- I worked at Autonomous Net-Zero, a graduate led environmental engineering water purification project.
- Conducted lab research including: gathering samples, analyzing and testing samples, and entering data. Assisted in the repairs, cleaning, and testing of the purification system.

Arkansas Natural Produce

Farmer

Malvern, Arkansas

May 2010 – Present

- A part-time position I work during the summer and winter breaks from school.
- Pick and wash salad, build structures, assist in deliveries, and perform tractor task.
- Early as well as long hours.

Arkansas School for Mathematics, Sciences and the Arts

Community Leader

Hot Springs, Arkansas

May 2014 – May 2015

- I worked as a community leader, the equivalent of an RA, during my senior year at boarding school.
- Organized community events, lead school tours, helped students, and assisted faculty in discipline.
